

Staton STEAM Readers Reading Incentive Program

Staton STEAM Readers is a reading incentive program that gives students in **Pre-K through 5th grade** a chance to win monthly prizes.

- ❖ How can parents help? It's easy! Read together with your child and record the time you spend reading on Staton's STEAM Readers special bookmark.
- ❖ Staton STEAM Readers reading incentive program will have their first drawing at the end of September. The program will conclude at the end of April.

Here's how to join the fun!

1. Watch for a special **STEAM** bookmark to come home with your child.
 2. Listen to your child read and/or read to your child every night.
 3. Cross out the trains on the bookmark after your child has completed 30 minutes of reading.
 4. Sign the completed bookmark after all 36 trains have been crossed off **(18 hours of before or after school reading)**.
 5. Have your child turn in the signed bookmark to the library and receive a new bookmark to continue with this reading program.
- ❖ The more your child reads, the greater the chance to win a prize.
 - ❖ April 15th will be the last day to turn in any bookmarks. Completed bookmarks will be entered into the monthly drawing at the end of April.
 - ❖ Please contact Kristy Froehlich in the library if you have any questions.
