We are so proud of our students and thank our parents, teachers, and community members like YOU for supporting us. Staton’s reputation for excellence is one that grows each year attracting experienced teachers and offering several benefits to our students. There are many aspects that make Staton a special school but it is the funds raised and **sponsorships acquired by PTO from individuals like you that make the biggest impact** and difference in the opportunities that are made available for Staton students.

Staton Elementary needs your support to help keep Staton great and be part of our awesome community!

By becoming a Staton sponsor, sponsoring a specific event, donating cash or goods for a raffle basket, or by giving an anonymous additional monetary donation you will be helping our students reach their full potential by continuing to have access to the very best education opportunities available. As an added benefit, with 700 students, your business will enjoy valuable exposure among our community.

We invite you to choose one (or more) of these 4 opportunities to help our school. Each will have a direct impact on the education of our students and they are all recognized and appreciated!!

Please turn over for our sponsorship and donation opportunities!

1. **Advertise with a Business or Family Sponsorship:** Choose one of the 3 levels. If you would like to advertise or feature your company or your family name this is a great year round advertising opportunity.
